

# Storage

FOR JUSTICE

## TROY POLICE DEPARTMENT LOOKS TO SPACESAVER FOR A BETTER WAY TO STORE EVIDENCE

- WHAT:** Police Department, Troy, NY.
- PROBLEM:** Their evidence storage area was too small.
- OBJECTIVE:** To create more space and maintain better control of evidence, while allowing for future expansion.
- SOLUTION:** A storage system that would allow them to easily and efficiently organize and access evidence of all types at any time.
- PRODUCT:** Spacesaver Power-Assist Mobile Storage Systems and Static Shelving.

## UNIQUE FEATURES

- The shelving is 10 feet high.
- Shelving has 26 openings for rifles and handguns.
- Power assist system provides easy access and in-aisle safety features.

## BENEFITS

- Now they have a clean, safe and secure storage area.
- The carriage system provides for 50% growth in storage requirements.
- There is better control and accountability.
